By attending this event you are supporting United Cerebral Palsy of San Diego County, an organization committed to serving people affected by cerebral palsy and other disabilities, and their families, with vital and innovative services since 1958. Seating is limited, so make your plans to join San Diego and Hollywood's brightest celebrities for an afternoon of fun, sun and prizes. Tipping your server is encouraged. For further information, please call (858) 571-5365.

Our mission is to advance the independence, productivity and full citizenship of people affected by cerebral palsy and other disabilities.

WE BELIEVE that all people with disabilities, including those with cerebral palsy, have fundamental rights to have equal opportunity to choose and participate in lifestyles that enable them to live in their own community, receive an education that prepares them for employment, and the opportunity to live and grow within their family and that our advocacy and service efforts must be truly family-centered rather than focused exclusively on the individual.

Dear Friends of UCP,

Welcome to the 43rd Annual “Firefighters and Friends” Celebrity Waiters Luncheon! On behalf of United Cerebral Palsy of San Diego County and the event committee members, I want to thank you for sharing this day with us. It is your participation that makes this event so successful.

I would like to extend my gratitude to our title sponsor, the San Diego City Firefighters for their continued support and participation for the past four decades. They deserve special recognition for their dedication to improving the lives of those affected by cerebral palsy and other disabilities. Their active involvement is deeply appreciated.

Many thanks to the celebrity waiters who are also volunteering their time today to help raise financial support and awareness for such a good cause. Please remember to show them your appreciation through the generous gift of your tips which will benefit UCP.

And a personal thank you to the Luncheon Chairperson Misty Morgan and the event steering committee for their dedication to this event. Not only did they volunteer their time to produce exceptional results, but they were a pleasure to work with. They are a large reason why you’ll have a fantastic time today.

But it wouldn’t be anything without YOU. So thank you for being our guest and please know that with your help, “life without limits” can be a reality for many people with disabilities in our community.

Enjoy your afternoon and I look forward to seeing you again next year!

Sincerely,

David Carucci
Executive Director
UCP of San Diego County

San Diego City Firefighters Local 145

The image of the San Diego City Firefighter within the community is foremost to the San Diego City Fire Fighters Local 145.

Through the commitment of the SDCFF's Community Responsibility Fund, the firefighters have become leaders in community service.

Since 1973, they have donated countless volunteer off-duty hours to local charities, schools and civic organizations.

They have contributed over one million dollars of their own funds to community service projects.

These funds, in turn, have generated an additional one million dollars through special events.

Our goal is excellence in service whether off-duty or on.

The proud sponsors of the 43rd Annual
